Detailed Data

Mobile Access

7 Divisions with Personal Data Formats

OBIEE, Planning, & HFM provide custom web and mobile customer analysis and reporting solutions for Finance, Sales, Marketing, and Executives using interactive dashboards, analyses, reports, prompts, agents, actions, and schedules.

"I've worked with Edgewater Ranzal over the past 6+ years to implement a number of strategic EPM, BI and Big Data applications across multiple lines of business and subject matter areas. Based on my 15+ years of experience in this space, Edgewater Ranzal is the premier system integrator for reporting and analytics solutions."

- Muthu Sellappan, Director, Business Analytics, Terumo Medical
